Vision

**To be a world-class interventionist agency
in Nigeria's Tertiary Education**

Mission

To provide focused and transformative intervention in public Tertiary Institutions in Nigeria through funding and effective project management

Objectives of 2021 Taxpayers Forum

The 3rd Edition of the Taxpayers Forum is aimed at achieving the following objectives:

- i. To recognize and honour selected taxpayers that have contributed positively and consistently to education tax collection over the years;
- ii. To showcase TETFund intervention activities over the years to taxpayers and the public;
- iii. To show transparency and accountability in the management of public funds;
- iv. To create an avenue for formal interaction with taxpayers and other relevant stakeholders;

- v. To create an avenue for taxpayers to convey their experience regarding EDT matters; and
- vi. To strengthen partnership with taxpayers as a means of mobilizing support for the payment of education tax.

Background of TETFund

www.tetfund.gov.ng

Background of TETFund

- Originally set up as an agency to intervene in the Education Sector by the Education Tax Act No. 7 of 1993 as amended by Act No. 40 of 1998;
- The Act now repealed and replaced with the Tertiary Education Trust Fund Act 2011 which now refocuses the Fund towards the development and rehabilitation of infrastructure alongside research and development in public tertiary institutions;
- Funded through a 2% Education Tax on assessable profit of all registered companies in Nigeria; and
- Charged with the responsibility of managing, disbursing and monitoring of the *education tax* to public tertiary institutions in Nigeria.

Mandate of TETFund

The mandate of TETFund is to administer and disburse the 2% Education Tax for the general improvement of education in Federal and State Tertiary educational institutions specifically for the provision or maintenance of:

- I. Essential physical infrastructure for teaching and learning;
- ii. Institutional material and equipment;
- iii. Research and publications;
- iv. Academic staff training and development; and
- v. Any other need which, in the opinion of the Board of Trustees, is critical and essential for the improvement and maintenance of standards in the higher educational institutions.

Corporate Responsibility to Stakeholders

TETFund highly values its partnership with its public, stakeholders and beneficiaries and as such the Agency's Corporate Social Responsibility is proof of this. And they are:

- Respect for the view points and interest of taxpayers, beneficiaries and other stakeholders;
- Belief in wide scale consultation with Stakeholders as a means to an adequate understanding of the problems of education and how to solve them; and
- Promotion of transparency and accountability on the part of beneficiaries of TETFund.

In addressing challenges of Access and Quality, the objectives of the Nigerian Education System is to:

- a. Develop world class institutions with:
 - World class infrastructure
 - Learning resources
 - World class teachers

- b. To ensure that the institutions are able to produce:
 - Highly skilled world class manpower
 - Individuals with entrepreneurial flair

TETFund is the key agency for actualizing the Strategic Plan for the development of the educational sector in the focal area on Funding, Partnerships, Resource Mobilization and Utilization. Its roles include:

- Receives funds through the Federal Inland Revenue Service as provided in the Education Tax Act, 2011;
- Disburses and manage the funds to beneficiary institutions;
- Monitors the utilization of funds; and
- Evaluate utilization to ensure value for money.

Framework for Distribution of Funds for Intervention

The Board of Trustees shall administer, manage and disburse the tax imposed by this Act on the basis of:

- i. Funding of all public tertiary educational institutions;
- ii. Equality among the six-geo political zones of the Federation in case of special intervention; and
- iii. Equality among the states of the Federation in case of regular intervention;

Sharing Formula

The enabling Act provides a sharing ratio of allocation to beneficiaries on the basis 2:1:1 between Universities, Polytechnics and Colleges of Education:

- 50% - Universities
- 25% - Polytechnics
- 25% - Colleges of Education

Types of Intervention

To achieve the main purpose of the Law establishing TETFund and to deliver on its Mandate, these Intervention Lines were established and designated by the Board of Trustees:

a. **Annual Intervention**

- i. Physical Infrastructure/Programme Upgrade
- ii. Zonal Intervention
- iii. TETFund Scholarship for Academic Staff (TSAS)
- iv. Conference Attendance (CA)
- v. Library Development
- vi. Institution Based Research (IBR)
- vii. Manuscript Development
- viii. Academic Research Journal (ARJ)
- ix. TETFund Project Maintenance
- x. Information Communication Technology Support
- xi. Entrepreneurship Centres (Uni)
- xii. Equipment Fabrication (Poly)
- xiii. Teaching Practice (CoE)

b. **Special/Designated Intervention**

- i. Special High Impact Intervention (SHIP)
- ii. National Research Fund (NRF)
- iii. Disaster Recovery
- iv. Higher Education Book Development Fund (BDF)

Categories of TETFund Intervention Lines

TETFund Intervention Programmes can also be categorized as follows:

PHYSICAL DEVELOPMENT

- a. Construction of Physical Infrastructure
- b. Procurement of Equipment and Furniture
- c. Procurement of Books and Academic Journals - Hard and Soft Copies (LD)
- d. Procurement of Instructional Materials

Research Development and Centres of Excellence

Research and development is key to creating value education for societal advancement particularly in the face of increasingly globalized, knowledge-driven economies. Therefore, deliberate investment in research and development is crucial to building a knowledge driven economy in the country. Research and Development is a major component of strategic innovation especially when it's a product of scientific research.

TETFund therefore established the Department of Research and Development/Centres of Excellence (R&D/CE) to allocate sufficient resources to scientific research to generate knowledge that would directly impact the economy in the form of products and processes.

Institution Based Research (IBR)

TETFund IBR intervention supports and enhances the basic academic research activities by scholars in public tertiary institutions which had been abandoned due to paucity of funds.

TETFund has funded research proposals from various tertiary institutions in the country between 2019 and 2020.

National Research Fund (NRF)

The National Research Fund (NRF) is a non-infrastructure Special Intervention of the Fund aimed at:

- Addressing peculiar national challenges through research by multidisciplinary teams;
- Promoting the conduct of applied research and innovation by academics in Public Tertiary Educational Institutions;
- To drive the socio-economic development of Nigeria in an increasingly globalized and highly competitive knowledge –driven world economy;
- Encouraging cutting edge research;
- The areas of focus are:
 - Science, Engineering, Technology and Innovation (SETI)
 - Humanities and Social Sciences (HSS)
 - Cross-Cutting (CC).
- About 240 research projects funded since inception.

National Research Fund (NRF): Batch VI

S/N	Name of Beneficiary Institution	Name of Principal Investigator	Title Research Project	Amount Approved (N)
1	Federal University of Agriculture, Abeokuta	Prof. Bamidele Omonuwa Oluwatosin	Beef Value Chain Enhancement Using Muturu Cattle Breeding and Multiplication in Nigeria	38,624,001.00
2	Bayero University, Kano	Prof. Abdu A. Manga	Modulating Phytic Acid Biosynthesis in Sorghum Towards Improving Nutrient Bioavailability in the Drylands	35,944,615.00
3	Federal University of Technology, Minna	Prof. Joseph Onyebuchi Okafor	Sustainable Improvement of the Shea Tree Value Chain in Nigeria	25,355,500.00
4	Ahmadu Bello University, Zaria	Dr. Aliyu Ramatu Enehezeyi	Harnessing the Genetic Potential of Cowpea Landraces in Northern Nigeria: A Tool for Improvement against Biotic and Abiotic Constraints	25,959,000.00
5	Air Force Institute of Technology, Kaduna	Group Captain (Dr)O.C Ubadike	Development of Algorithms for Intelligent Reconfigurable Unmanned Helicopter for Agriculture	35,967,343.00
6	Bayero University, Kano	Prof. Jibrin Mohammed Jibrin	Closing Sorghum Yield Gaps In Nigerian Sudan And Sahel Savannas Through Site-Specific Nutrient Management	38,880,000.00
7	Bayero University, Kano	Dr. A. Lado	Identification, Validation and Evaluation of Indigenous Methods of Controlling Obnoxious Weeds (Striga Spp) in Cereal Crops	29,197,750.00
8	Federal University of Agriculture, Abeokuta	Prof. Adeboye Olusesan Fafiolu	Development of Novel Feed Additives for Domestic Chicken Through Innovative Inclusions of Phytogenics	37,500,000.00

S/N	Name of Beneficiary Institution	Name of Principal Investigator	Title Research Project	Amount Approved (N)
9	Bayero University, Kano	Prof. I. B. Mohammed	Profiling and Genome Wide Association Studies of Isoflavone and Fatty Acids of Soybean accessions.	30,200,000.00
10	Federal University of Agriculture, Abeokuta	Prof. Ayotunde O. Adebambo	Genetic Improvement of Guinea-Fowl (<i>Numida melagris</i>) for High Meat and Egg Production in Nigeria	40,356,160.00
11	University of Lagos, Lagos	Dr. Temitope Olabisi Onuminya	DNA Banking and Barcoding of Endangered Tree Species in Nigeria	27,008,875.00
12	University of Lagos, Lagos	Prof. Ilori Mathew Olusoji	Prospecting for Phosphate Solubilizing, Nitrogen Fixing and Toxicant Sequestering Bacteria as Bio-Fertilizer for Enhancing Soil Fertility and Crop Production	36,219,224.00
13	Bayero University, Kano	Prof. Aminu Abba	Assessment of State-Based Agricultural Information Systems in the Provision of Food and Nutrition Security Information in Sudano-Sahelian Sattes of Nigeria	31,350,835.00
14	University of Uyo, Uyo	Prof. Akindele Folarin Alonge	Production and Packaging of Instant Hibiscus (Zobo) Tea	35,717,500.00
15	Ebonyi State University, Abakiliki.	Prof. Happiness. O. Oselebe	Valorisation of Genetic Resources in African Orphan Crops for Food and Nutrition Security in Nigeria.	37,630,000.00
16	Federal University of Agriculture, Abeokuta	Prof. Jimoh A. Olanite	Exploring Commercial Year-Round Hay Production and Haulage for Ex Situ Feeding of Cattle in the Livestock Transformation Plan for Nigeria.	35,000,000.00

S/N	Name of Beneficiary Institution	Name of Principal Investigator	Title Research Project	Amount Approved (N)
17	Kano University of Science And Technology, Wudil	Prof. Y. B. Daraja	Genetic Analysis of Maize (<i>Zea Mays L.</i>) Inbred Lines under Combined Drought and Heat Stress Conditions	32,102,500.00
18	Ahmadu Bello University, Zaria	Prof. Hussaina Makun	Nigerian Dual Purpose Goat (NDPG) Development	47,637,924.00
19	Federal University of Technology, Minna	Prof. B. A. Ayanwale	Effect of Enzyme Processed Feather Meal Diets on Broiler Chickens' Performance, Organoleptic Parameters and Quality of Broiler Meat	25,232,812.00
20	Ahmadu Bello University, Zaria	Prof. Ado A. Yusuf	Exploring the Potential of Soil Natural Capital and Soil Spectroscopy in Maximizing Cereal Productivity In Semi - Arid Zone Of Nigeria	31,427,960.00
21	University of Jos, Jos	Dr. Ishaya Y. Londet	Metagenomics and Characterization of Recombinant Lignocellulose Degrading Enzyme from Gut Microbiota of Desert Insects for Biofuel and Feed Industry.	30,005,722.00
22	Federal University of Agriculture, Abeokuta	Prof. Oluseyi Oluwajubelo Oluwatosin	Use of Red and White Sorghum in Feeding System for Poultry and Implications of Locally Produced Tannase Enzyme	38,199,950.00
23	University of Medical Sciences, Ondo	Dr. R .L. Njinga	Dynamic of Radionuclides Migration in Soil of Cropland and Transfer through Terrestrial Food Chain in Nigeria	30,000,000.00
24	Nnamdi Azikiwe University, Awka	Prof. Ikemefuna C. Uzochukwu	Drug Repurposing for Lassa Fever Virus: A New Treatment Option	35,000,000.00

S/N	Name of Beneficiary Institution	Name of Principal Investigator	Title Research Project	Amount Approved (N)
25	Bayero University, Kano	Prof. L. Alhassan Bichi	Potentials of Medicinal Plants selected from North-Western Nigeria in the Management of Type II Diabetes Mellitus and Its Complications	42,500,000.00

2019-2020 Capacity Building Workshops

1. Train-the Trainer Research Proposal Writing and Research Grant Management Capacity Building Workshop

The capacity building in research proposal writing and grant management skills for academics in Beneficiary Institutions commenced in 2019 with its primary objective being to train selected academics from TETFund Beneficiary Institutions on research proposal writing and grants management who will in turn cascade the knowledge gained to their colleagues. In view of this, Nine Hundred and Eighty-Six (986) participants have so far been trained.

2. Research Administration Capacity Building Workshop for Universities

The Research Administration Capacity Building workshop commenced in 2019 for interventions in R&D for Tertiary Education Institutions (TEIs) with a view to institutionalising R&D and nurturing the emergence of Centres of Excellence in different fields of science. The Capacity Building of Research Administrators in Universities which was part of the strategy for achieving the goals of Institutionalizing R&D, was successfully concluded and there was a significant increase in the competence levels of participants in understanding the expectation of an effective Research Administrator. As at today, Directors of Research of TETFund Beneficiary Universities have been trained.

3. Research Administration Capacity Building Workshop for Polytechnics

After the successful completion of the Research Administration Capacity Building workshop for Universities, the Board of Trustees (BoT) approved same workshop to be extended to public Polytechnics. As at today, the workshop is currently ongoing for Directors of Research of TETFund Beneficiary Polytechnics.

4. Training Programme for Lab Technologists

In view of the significant milestones and achievements of the Fund in the promotion of Research and Development in Tertiary Education Institutions across the country, with initiatives ranging from the establishment of Research Directorates in Universities, capacity building programmes for researchers, as well as the inauguration of a National Standing Committee on R&D. Also considering the fact that researchers need technologists and technicians in order to carry out any meaningful work in laboratories, it has become imperative to train these technologists and technicians with a view to bringing them up to date with emerging systems and technologies. Consequently, a

Memorandum of Understanding was signed in France with the Association of University Institutes of Technology (ADIUT), to train Laboratory Technologists from TETFund beneficiary institutions.

5. Performance Evaluation and Follow-Up Workshop for Directors of R&D Units in Universities

As a follow-up to the Research Administration Capacity Building workshop for universities, a performance evaluation and institution's implementation strategy meeting was organized for all past delegates as continued education and professional development workshop. The essence of this workshop is to determine the effectiveness of the previous training and to provide additional and necessary support to remedy any identified implementation challenges to the R&D units in universities, bearing in mind that they are new establishments and require sustainable capacity building and support.

6. International Computer Driving Licence (ICDL) for Teaching and Non-Teaching Staff of Beneficiary Institutions

The International Computer Driving Licence (ICDL) training for Teaching and Non-teaching Staff of TETFund Beneficiary Institutions started in June, 2019. The objectives of the training include:

- i. Overall capacity training for Teaching and Non-teaching Staff across TETFund Beneficiary Institutions in Nigeria;
- ii. Improve the digital literacy skills of the Teaching and Non-teaching Staff of TETFund Beneficiary Institutions;
- iii. Improve the usage of Information Technology in their work process; and

- iv. Aid the application of Information Communication Technology in research and innovations amongst the academic community in Nigeria.

The ICDL curriculum was used for this training. ICDL is the world's leading computer skills certification, with over 14 million people certified in the ICDL program in over 100 countries, through a network of over 24,000 ICDL Accredited Test Centers (Atcs).

Under the 2016/2017/2018 ICT Support Intervention, a total number of 16,303 (Sixteen Thousand, Three Hundred and Three) Teaching and Non-teaching Staff have been trained as at date.

Summary of Staff Trained

Category of Institution	No. of Staff
Universities	7,715
Polytechnics	4,388
Colleges of Education	4,200
Total	16,303

Challenges

- The need to expand the tax net to enhance Education Tax Collection by FIRS;
- Insufficient resources to meet the increasing demand from beneficiary institutions;
- The over dependence of beneficiary institutions on TETFund by their proprietors to provide infrastructure and other needed educational support;
- Pressure from States creating new institutions;
- The lack of adequate capacity on the part of the beneficiary institutions to fully utilize allocated funds as at when due; and
- Non adherence to guidelines by beneficiary institutions.

Our Main Ambitions for the Future

- To champion the establishment of a National Research and Development Foundation (NR&DF) for Nigeria, in order to make Nigeria's economy more competitive in all spheres through sustainable funding and management;
- Institutionalization of the Triple Helix Model which will culminate the alliance of the academic, the private sector and the government for a knowledge-driven economy;
- Improve on the ranking of Public Universities in Nigeria through deepening research, building manpower capacity of the academia and enhancing research infrastructural base; and
- Facilitate the buy-in of all stakeholders and especially beneficiary institutions to our ideals for transparency, accountability and promotion of high standards.

Success Factors

- Full compliance with the Act No. 16 of 2011 (Due Process, Quality Assurance, Discipline);
- Strict implementation of guidelines for accessing funds;
- Adoption and implementation of performance driven disbursement system;
- No disbursement of fresh funds until all ongoing projects are satisfactorily completed;
- Inscription of ALL completed projects indicating **“TETFund YEAR INTERVENTION”**;
- Uniform standards for vetting and document review for all Beneficiary Institutions;
- Clear delineation of responsibilities between TETFund and Beneficiary Institutions.

Conclusion

- TETFund is a unique Nigerian Brand.
- TETFund's unique model has become a benchmark.
- TETFund has recorded huge successes despite the challenges of the economy.
- TETFund's successes need to be sustained with new ideas and future proof programmes.
- There is now a paradigm shift from physical structures to content development.
