Vision

“To be a world-class interventionist agency in Nigeria's Tertiary Education”

Mission

“To provide focused and transformative intervention in public Tertiary Institutions in Nigeria through funding and effective project management”

Background of TETFund

www.tetfund.gov.ng

Background of TETFund

- Originally set up as an agency to intervene in the Education Sector by the Education Tax Act No. 7 of 1993 as amended by Act No. 40 of 1998;
- The Act now repealed and replaced with the Tertiary Education Trust Fund Act 2011 which now refocuses the Fund towards the development and rehabilitation of infrastructure alongside research and development in public tertiary institutions;
- Funded through a 2% Education Tax on assessable profit of all registered companies in Nigeria; and
- Charged with the responsibility of managing, disbursing and monitoring of the *education tax* to public tertiary institutions in Nigeria.

Mandate of TETFund

The mandate of TETFund is to administer and disburse the 2% Education Tax for the general improvement of education in Federal and State Tertiary educational institutions specifically for the provision or maintenance of:

- I. Essential physical infrastructure for teaching and learning;
- ii. Institutional material and equipment;
- iii. Research and publications;
- iv. Academic staff training and development; and
- v. Any other need which, in the opinion of the Board of Trustees, is critical and essential for the improvement and maintenance of standards in the higher educational institutions.

Corporate Responsibility to Stakeholders

1. TETFund highly values its partnership with its public, stakeholders and beneficiaries and as such the Agency's Corporate Social Responsibility is proof of this. And they are:

- Respect for the view points and interest of taxpayers, beneficiaries and other stakeholders;
- Belief in wide scale consultation with Stakeholders as a means to an adequate understanding of the problems of education and how to solve them; and
- Promotion of transparency and accountability on the part of beneficiaries of TETFund.

2. In addressing challenges of Access and Quality, the objectives of the Nigerian Education System is to:

- a. Develop world class institutions with:
 - World class infrastructure

- Learning resources
- World class teachers

b. To ensure that the institutions are able to produce:

- Highly skilled world class manpower
- Individuals with entrepreneurial flair

3. TETFund is the key agency for actualizing the Strategic Plan for the development of the educational sector in the focal area on Funding, Partnerships, Resource Mobilization and Utilization. Its roles include:

- Receives funds through the Federal Inland Revenue Service as provided in the Education Tax Act, 2011;
- Disburses and manage the funds to beneficiary institutions;
- Monitors the utilization of funds; and
- Evaluate utilization to ensure value for money.

Framework for Distribution of Funds for Intervention

The Board of Trustees shall administer, manage and disburse the tax imposed by this Act on the basis of:

- i. Funding of all public tertiary educational institutions;
- ii. Equality among the six-geo political zones of the Federation in case of special intervention; and
- iii. Equality among the states of the Federation in case of regular intervention;

Sharing Formula

The enabling Act provides a sharing ratio of allocation to beneficiaries on the basis 2:1:1 between Universities, Polytechnics and Colleges of Education:

- 50% - Universities
- 25% - Polytechnics
- 25% - Colleges of Education

Types of Intervention

To achieve the main purpose of the Law establishing TETFund and to deliver on its Mandate, these Intervention Lines were established and designated by the Board of Trustees:

Our Main Ambitions for the Future

- To champion the establishment of a National Research and Development Foundation (NR&DF) for Nigeria, in order to make Nigeria's economy more competitive in all spheres through sustainable funding and management;
- Institutionalization of the Triple Helix Model which will culminate the alliance of the academic, the private sector and the government for a knowledge-driven economy;
- Improve on the ranking of Public Universities in Nigeria through deepening research, building manpower capacity of the academia and enhancing research infrastructural base; and
- Facilitate the buy-in of all stakeholders and especially beneficiary institutions to our ideals for transparency, accountability and promotion of high standards.

Success Factors

- Full compliance with the Act No. 16 of 2011 (Due Process, Quality Assurance, Discipline);
- Strict implementation of guidelines for accessing funds;
- Adoption and implementation of performance driven disbursement system;
- No disbursement of fresh funds until all ongoing projects are satisfactorily completed;
- Inscription of ALL completed projects indicating **“TETFund YEAR INTERVENTION”**;
- Uniform standards for vetting and document review for all Beneficiary Institutions;
- Clear delineation of responsibilities between TETFund and Beneficiary Institutions.
